Judge Glicker,

It's Daniel Montes, I plan to file a mot to recuse and disqualify you in this case. Why? Because you were arrested in April 2015 in Kyle for DWI and have already messed up this probate case by sending it back to Updegrove. You say, you can't do that Daniel. Yes, I can. As a citizen of the State of Texas and past resident of Hays County, I officially demand that you RESIGN. The case is being remanded and you cannot be the judge in my uncle's probate case. I will serve you copies shortly. Stay off the bottle, bc its bad for your liver and your professional career as a judge. Also, Hays County is serious against DWI offenders. Have a good day sir.

Thank you,

/s/Daniel Montes

Dear Judge Glickler:

A few minutes ago Your Honor replied to an e-mail from my associate, Amy Snyder. requesting assistance in obtaining a transcript of the very brief hearing on July 20, 2015, before Your Honor, if one was taken.

The very brief hearing before Your Honor on July 20, 2015, was regarding the Motion to Recuse that Daniel Montes ("Montes") had filed against Judge Updegrove, in an attempt to prevent Judge Updegrove from hearing the Executrix' Motion to Declare Transfer Void and Quiet Title (the "Executrix' Motion"). Mr. Jeffrey Barnett, representing Elizabeth Hudson, and myself, representing the Executrix, entered an appearance. It is the recollection of both Mr. Barnett and myself that, upon learning that Montes had failed to appear, Your Honor denied his Motion to Recuse and directed us to return to Judge Updegrove's Court for the hearing on the Executrix' Motion. Attached is Mr. Barnett's affidavit regarding his recollection of the events. Initially, both he and I thought we were appearing before Judge Steel when, in fact, we appeared before Your Honor. I have asked Mr. Barnett to correct his affidavit in that regard.

Montes filed a Petition for Writ of Mandamus of the Order that Judge Updegrove entered following the July 20, 2015, hearing on the Executrix' Motion. Last Friday I filed the Executrix' Response to Montes' Petition for Writ of Mandamus.

Yesterday, Montes filed the attached Amended Petition for Writ of Mandamus ("Amended Petition for Writ") in which he alleges that Judge Updegrave recused himself. Further, he sent the attached e-mail, addressed to Judge Updegrave. In addition to sending this e-mail to Judge Updegrave, Montes sent it to Kimberly McMahon, Glenn A. Reed, the Presiding Judge of the Third Administrative Judicial Region, Elizabeth Hudson, John Ximenes, John Stewart, Wesley Mau, the Executrix, and me. As I am certain you already know, Mrs. McMahon is Judge Steel's clerk and Mr. Mau is the Hays County District Attorney. Elizabeth Hudson is Montes' mother. Elvira Ximenes is the Executrix and a defendant in 2 of the 5 cases that Montes has filed in the Hays County Justice Court, Precinct 1, Place 1. John Ximenes is the Executrix' son and also a defendant in another of the 5 Justice Court Cases. Mr. Stewart is an attorney representing 2 other defendants that Montes has sued in the Hays County Justice Court. Mr. Reed is my co-counsel, who filed the referenced Probate Case.

At the request of the Third Circuit Court of Appeals I am preparing a response to Montes Amended Petition for Writ. The Response is due by August 14, 2015. As part of that response, I would like to have Your Honor's recollection of the events to file as part of my Response.

Please note that I have copied this e-mail to both Mr. Barnett and Mr. Montes.

I would like to thank Your Honor in advance of your consideration. If Your Honor has any questions, please call me at Your Honor's convenience.

Ms. Snyder:

FYI, it is Glickler, with a 2nd L. Common mistake, I am not bothered, just letting you know.

It is my understanding that someone spoke to my assigned court reporter, Gina May, and it was actually Deanna Vargas and her information has been relayed.

I am cc'ing her here just in case.
